

# EB-5 Educational Forum

The Aurora Asian/Pacific Community Partnership and the city of Aurora Development Services Division extend a cordial invitation to you to attend an informative evening, including reception and networking opportunities, with local community leaders and developers.

## What is EB-5?

A vehicle for financing a development project within the United States through foreign investors.

- Are you aware of this U.S. Citizenship and Immigration Services program for financing development projects?
- Are you a developer or property owner interested in redevelopment within the city of Aurora?
- Do you have family and friends in Asia interested in moving to and/or investing in the U.S.?
- What is EB-5 and how is it of interest to the Asian Pacific American communities?
- How does EB-5 relate to development in Aurora and Colorado in general?

Learn the answers to these questions and more
