This performance will feature our very own taiko groups of Colorado (Denver Taiko, Mirai Daiko, Taiko with Toni) and we have invited some special guests to join us. There are no tickets being sold because this is a "Give What You Can" event that you bring with you to the door. **Please bring cash or checks ONLY!!** We will be collecting the donations at the door and at intermission.

100% of the proceeds will go to the **Northern Japan Earthquake Relief Fund**, a recognized non-profit 501(c)3 and tax-deductible, that will help those directly affected by the quake. There is no set admission price -- just a donation of whatever you can give.
