Instead of the annual Japanese play, *Samurai Love Story*, we are presenting a Japanese culture Arigatō! (Thank You!) fundraiser. You are invited to come together to show support for the people of Japan. The Japan-America Society of Southern Colorado (www.JapanAmerica.org), with the support of PPCC CHTS Division, Campus Life, and The Japanese Club, is collecting donations for the Japan Earthquake Relief Fund. JASSC is donating 100% of funds raised to Red Cross - Japan to best help the people of Japan.

We plan to offer many student led activities, including:

-  **Foods: traditional foods, including a sushi demonstration**
-  **Fashion show: by PPCC students**
-  **Calligraphy: (Friend from Japan)**
-  **Origami: community members**
-  **Flower Arrangements: community members**
-  **Tea Ceremony: community members**
-  **Artist Alley: PPCC students**
-  **Anime showings**
-  **Karaoke**
-  **Japanese dance by PPCC students**
-  **Cosplay contest ("costume play")**
-  **Traditional Crafts (Furoshiki)**
-  **Shakuhachi (Japanese Flute. *Zen meditation pieces, folk songs, etc*)**
-  **Martial Arts (Ninjyutsu by Bryan Garner)**

*PPCC and UCCS Japanese language classes will participate.
Our highest level Japanese students will entertain and
teach some Japanese language and culture.*

Please help get the word out to everyone you know!
Your enthusiastic support and compassion for the Japanese people
mean a lot to the people of Japan.

Thank you! (Arigatō!)
