

ASIAN PACIFIC  
DEVELOPMENT CENTER

### **FREE Blood Screening for Asian American Pacific Islanders**

The Asian Pacific Development Center is a non-profit organization that has been providing a wide range of health, behavioral, and human services to the Asian American Pacific Islander communities in Colorado since 1980. Our organization will be offering FREE blood screening to Asian American Pacific Islanders through several 9Health Fairs in April and May of this year. The blood test checks for various diseases such as diabetes, high cholesterol, and liver, kidney, and thyroid problems. It is important to do regular screening tests to detect diseases BEFORE a person has symptoms. When a disease is detected early, the treatment is more effective and less costly. The test normally costs \$30. Please come to one of the following 9Health Fairs:

**\*\*\*All health fairs run from 7 am to noon, unless otherwise indicated\*\*\***
